The Gift Aid Scheme

'It costs you nothing but a signature'

The **Gift Aid Scheme** is simple. Once you sign a Gift Aid Declaration all your donations to St. Mary's Walberton generate a tax repayment that comes to the Church. Currently, for every £1 you give the Church can claim 25p from the Inland Revenue, some 15% of the Church's income for the year.

Your **donations** can be regular (eg. Standing Order through your bank, or in cash or cheque in weekly envelope which the church will provide) or irregular, as and when you are able to give. You remain in control of what you give and when. Should you wish to pay via Standing Order please contact the PCC Hon Treasurer Ian Senior.

There are just three basic conditions that have to be met:

1. You have to sign a Gift Aid Declaration. Please note that your full name and post code are essential.
2. The Church has to be able to link the money given to the person who gave it.
3. You have to pay income or capital gains tax each year that is not less than the church will be claiming on your donation.

In more detail:

1. The Gift Aid Declaration is a simple form that needs your signature but does not need to be witnessed. Once completed it remains valid indefinitely, but you can withdraw it at any time if you choose to do so.
2. Linking the money given to the person who gave it can be achieved in various ways. It can be established through a standing order with a bank, or by using the weekly envelopes. It can also be achieved by receipt of a personal cheque or by cash in an envelope bearing your name; giving in this form may be particularly appropriate for special appeals.
3. You have to pay income tax and/or capital gains tax sufficient to cover all the tax repayments that will be made each year in respect of your donations to the church and any other charities where you have entered into a Gift Aid arrangement. If you cease to be a tax payer you should withdraw your Gift Aid declaration. If you pay only a very small amount of tax, or are uncertain if you will pay any tax at all, it is probably not sensible to enter the Gift Aid Scheme. If you don't pay tax you shouldn't enter the scheme.
