~**AV project at St Mary's** As church members will know a sub-group of the PCC has been working on a project to upgrade St Mary's audiovisual equipment. We plan to have modern loudspeakers, projector, screen etc which will both improve the quality of what we see and hear, and also reduce risks by removing trailing electric cables and eliminating the need for the projector to be in the main aisle. We have received our faculty from diocese.

Our Vision

"We aim to be a growing church: growing in the love of God as we grow in prayer, in understanding of our faith, and in the use of the gifts each has been given; growing in love for our community as we grow in service, in sharing the Good News of Jesus Christ"
